Step 1

What is GoldenCare-i Style?

GoldenCare-i Style is a single contribution investment-linked takaful plan that offers a combination of takaful protection and investment. It pays the sum covered or the value of Participant Investment Fund (PIF), whichever is higher, in one lump sum, if the Participant dies, suffers Total and Permanent Disability (TPD) or Critical Illness (CI) during the term of the plan. The value of the investment-linked takaful plan depends on the price of the underlying units, which in turn depends on the performance of your chosen fund(s).

Applicable Shariah concepts:

- Wakalah** – All certificate holders appoint AmMetLife Takaful to act on their behalf to invest and manage the takaful plan in accordance with Shariah principles. AmMetLife Takaful is entitled to a Wakalah Fee, as disclosed in the Benefit Illustration, for managing the plan.
- Tabarru'** – All certificate holders agree to donate a specified portion of the contribution paid into the Participants Risk Fund (PRF) for the purpose of mutual aid and assistance.
- Qard** – An interest-free loan from AmMetLife Takaful in the event that the PRF is in deficit. The loan will be paid from the future surplus arising from the PRF.
